Group	5 PGMR	10	25	50GB	5	5	299 €	329 €	339 €	359 €
<i>option: additional disk space per 10GBytes/year</i>							5 €	5 €	5 €	5 €

includes daily backup, multiple network connections, WDS, ST1, QU1, XW1 - no additional support!

all prices at yearly payment (+ your local VAT if located within EU) - monthly payment: monthly price = yearly price / 10

CDP - Customer Dedicated Partition – configure your individual logical partition (prices monthly)

Base LPAR (1 CPU unit, 2GB RAM, no disk)

A base LPAR consists of one CPU slice and 2GB RAM. For more guaranteed CPU power, simply add more slices.

Then expand RAM if needed. Then add disk storage - done. One public IP address included.

The LPAR contains SS1, ST1, XW1. See below if WDS (compiler suite) is needed.

One-time setup fee of 199 € if rental less than 12 months.

One CPU slice gives you dedicated CPU power of:

Price per dedicated CPU slice: (each CPU slice includes 2GB RAM)

Select your operating system version:

Power option: CPU power may peak up to one full core

Programmers option - one user licensed for Rational developer for i (WDS + QU1)

add more RAM - per 1GB:

Harddisk (per 100GB)

(you can mix up the disk types to get best combination of performance and capacity)

a) iSCSI based hard disk storage system (perfect for data archival or small developer needs)

b) iSCSI based flash disk storage system (offers low latency times for write intensive environments)

c) FC based SAN subsystem (high read performance. ideal for production workload)

Backup option (per 100GB disk space)

(if you do not want to care about backup)

a) daily backup of *ALLUSR, *SECDDTA, IFS to our FTP servers - last 7 days online available

b) extend online time to 30 days. Weekly dump of your backups to tape libraries, 52 weeks retention time

c) additional monthly tape, 52 weeks retention time

d) additional yearly tape, unlimited retention time

need high availability?

real time mirroring using BUS/400 software. Please configure 2 similar partitions, then add this monthly software price
